

Engineering Geophysics Experience Record (2010 - Till Date)

Date	Client	Project	Description
Jan 2021	Julius Berger Nigeria Plc	Geophysical Survey(Fill sand quantification) at the Bonny-Bodo Road	Electrical Resistivity Tomography Survey
November 2020	Julius Berger Nigeria Plc	Geophysical Survey(Fill sand quantification) at the Bonny-Bodo Road	Seismic Refraction and Electrical Resistivity Tomography Survey
February 2020	National Oil Spill Detection and Response Agency	The Alleged Contamination of Water Wells with Hydrocarbon Mararaba, Nasarawa State.	Contaminated Site Assessment
November 2019	Fivestar Logistics Limited	Ground Penetrating Radar Survey at Five Star Logistics' Terminal, Tin Can Island Port	Pavement Integrity Inspection and Void Detection Survey
June 2019	Julius Berger Nigeria Plc	Electrical Resistivity Survey at Palaver Yard, Lekki	Resistivity Test
July 2018	Nigeria LNG	Nearshore Geotechnical Soil Investigation for Train 7 - VARIATION ORDER for Bathymetric Survey	Marine Geophysical and Topographic Survey
June 2018	Julius Berger Nigeria Plc	Underground Utility Survey for Bonny Bodo Road Project - Bonny Section	Pipeline Detection Survey
May 2018	Julius Berger Nigeria Plc	Underground Utility Survey for Bonny Bodo Road Project - Bodo Section	Pipeline Detection Survey
April 2018	Ringardas Nigeria Limited	Geotechnical & Geophysical Investigation of Sapele Jetty	Sub bottom profiling Survey
January 2018	Qua Iboe Power Plant	Early Works - Site Investigations for Qua Iboe Power Project	Electrical Resistivity and Downhole Seismic test
December 2017	Julius Berger Nigeria Plc	Geophysical Survey at Bonny Bodo Road Project Site	Electrical Resistivity Tomography
September 2017	Indorama Eleme Fertilizer & Chemicals Limited	Geotechnical Investigation at Indorama Petrochemicals	Downhole Seismic Testing and Electrical Resistivity Survey
November 2016	Amazon Energy	Geophysical Investigation at Kwale Gas Plant Flare down Project Site	Underground Utility Survey, Resistivity and Downhole Seismic Test
December 2016	Early Power Limited	Non-Obstruction and Survey of the LPG route and Volta River Gas Plant	Underground Utility Survey
December 2016	Rimog Limited	Non-Obstruction Survey of the Rimog Site, Tema, Ghana	Underground Utility Survey

Date	Client	Project	Description
April 2016	Globeleq Adviser Limited	Electrical resistivity investigation for Aboadze power plant, Ghana	Vertical Electrical Sounding
March 2016	Saipem Contracting Nigeria Limited	Bathymetric survey of Quantum Methanol Plant Project Site	Seabed Mapping
October 2015	Chevron Nig Ltd.	Voids/Cavity Investigation of a Quay site at Chevron Warri dock	Ground Penetrating Radar Survey
September 2015	Idmon Engineering & Construction Nig Ltd.	Voids/Cavity Investigation at a Quay site in Warri	Ground Penetrating Radar Survey
July 2014	Conduril Engenharia, S.A, Angola	Voids/Cavity Investigation at a Quay site in Soyo city	Ground Penetrating Radar Survey
September 2014	NNPC	Electrical Resistivity Tomography of Nargajuna Fertiliser Plant	Electrical resistivity tomography
July 2014	ILF Consulting Engineers	RTL-Lagos Cable Car Topographic survey	Underground utility survey
March 2014	Asset and resources management company	Golf Estate Omagwa Iguwuta Rivers State	Electrical resistivity tomography
March 2014	Saipem Contracting Nigeria Limited	Dangote Plant Project, Lekki	Vertical electric sounding
March 2014	OKLNG	OKLNG Survey	Offshore Geophysical Survey
2013	NNPC	Ogidigben Bathymetric Survey	Offshore Geophysical Survey
2013	SCC Nig. Limited	Karshi Dam Site Electric Resistivity Survey	Electric Resistivity Tomography Survey
May 2013	Julius Berger Nigeria	Azura Independent Power Project	Down hole Testing
April 2013	ENI Ghana E & P	Seismic Refraction	Seismic Refraction
November 2012	Indorama EPLC	Indorama Eleme Petrochemical	Resistivity Survey
August 2012	Bilfinger	Nest Oil O-Cell Installation & Testing	O-cell fabrication, installation & testing
July 2012	Roth Construction Inc.	ExxonMobil Malabo Dos II Office Complex Underground Utility Investigation & Benchmark Verification	Underground utility scan & benchmark verification
June 2012	Saipem Contracting Nigeria Limited	Agenebode Fertiliser Plant Project - GI	Resistivity, setting out
June 2012	Julius Berger Ltd	CBN Lagos Site Investigation	Underground utility scan

Date	Client	Project	Description
May 2011	Shell Petroleum Development Company	Ogoni Site Remediation Project – Borehole Drilling	Underground utility survey of boreholes locations in 32 areas
May 2011	Zuma Energy Nig. Ltd	Itohe Coal Fired Power Plant Site Geophysical Investigation	Downhole seismic tests for engineering properties
April 2011	Cyril Agbele	VES @ Umunude Private Property	Resistivity survey for groundwater resource development
April 2011	Daewoo Nigeria Limited	OML 58 Independent Power Plant Project	Downhole test at 5 locations and resistivity survey
April 2011	Zuma Energy Nig. Ltd	Okaba Coal Mine Water Resource Management Project	Water resource management of mine
March 2011	Zuma Energy Nig. Ltd	Okaba Coal Mine Project Lidar Survey	Airborne LiDAR survey across the project area
February 2011	Julius Berger Ltd	Uyo Stadium Lidar Survey	Airborne LiDAR survey across the project area
February 2011	Summerville Golf Limited	Lakowe - Summerville Groundwater Resource Development Project	Resistivity survey & water borehole drilling at two locations
January 2011	Guinness Nigeria Plc	Guinness Benin and Ogba Brewery Geophysical Survey	GPR survey at designated areas in Benin and Ogba factories
November 2010	Dorman Long Engineering Limited	Naval Quayside Ground Penetrating Radar Survey	GPR survey at designated areas
September 2010	Guinness Nigeria Plc	Guinness Ogba Brewery Geophysical Survey	GPR survey at designated areas
September 2010	Saipem Contracting Nigeria Limited	Afam Independent Power Plant Project - Crosshole Test	Cross hole test to depth of 40m
July 2010	Saipem Contracting Nigeria Limited	Geo-resistivity Survey at Afam Independent Power Plant, Afam	Geo-resistivity survey along ROW and plant area
May 2010	Guinness Nigeria Plc	Guinness Benin Brewery Geophysical Survey	GPR survey at designated areas
May 2010	Guinness Nigeria Plc	Guinness Benin Brewery BBT Area Geophysical Investigation	GPR survey at designated areas
February 2010	Daewoo Nigeria Limited	UUED DOMGAS Project - [Ughelli - Utorogu Site; Agbada-1 - Agbada-2 Site; Adibawa - Gbaran Site]	Underground utility investigations & soil electrical resistivity survey along ROW @ Ughelli - Utorogu; Agbada-1 - Agbada-2; Adibawa - Gbaran
